

Each year Diametric's Calendar Coasters prove to be as popular as ever. In fact our customers are now incorporating their own logo's and designs in to our standard format. This allows them to keep their name where it belongs - in front of their customers.

We anodise solid spot colours, or digitally print 4 colour (known as **alugraphics**[®]) in to an aluminium base material which ensures long term clarity and durability. The back is fitted with a soft baize backing which will protect your desk from marks and scratches.
